Best selling author, pastor, retired detective sergeant/S.W.A.T. team member, and leadership conference speaker, Aaron D. Davis has reached tens of thousands with his inspiring message of hope and breakthrough. Now, in his latest book, *Limitless - You Can Experience the Freedom, Power and Potential You Were Created For*, he's blazing another trail with a revolutionary message of faith, exposing the ensnaring lies and mindsets that set you up for a life of defeat and bondage to spiritual strongholds.

Nashville, TN – 2016 Aaron D. Davis has released his fourth book *Limitless - You Can Experience the Freedom, Power and Potential You Were Created For* in hardcover, paperback, and digital formats. Addressing the difficult subjects of how your belief systems surrounding God, yourself and your life experiences have been the catalyst for your current realities, *Limitless* gives relevant insight, theological substantiation, and practical approaches to overcoming the devastating obstacles that have kept you from experiencing the full life that God has created you for.

“Have you ever felt devastated, tears rolling down your face, because you once again failed God? You promised yourself you'd never fall into the same sin again. You've prayed about it over and over, but it has tripped you up at the most inopportune times, knocking you back several steps. Will you ever be victorious?

Maybe like Aaron Davis, among thousands of pastors, and millions of Christians around the world, you have felt powerless to overcome the same one or two pitfalls that have plagued you your whole life. You've prayed that God would take them away. Yet just when you were starting to get ahead and feeling like you were moving forward, that same stupid mistake blindsided you again, limiting your progress and seemingly sabotaging your successes.

This is a scenario we've all dealt with, and it is a telltale sign that a stronghold is at work in your life. But you don't have to walk in bondage, enslaved to that thing anymore! God created you for greatness! He has provided the means to walk in victory over every lie, every deception, every obstacle, and every stronghold that has ever held you back. You are about to embark on a journey to experiencing the freedom, power, and potential that you were created by God to encounter!

Are you ready to experience more? Free your mind today. The possibilities are limitless!”

Limitless will give anyone who has ever experienced difficulty conquering repetitive pitfalls in their life the knowledge necessary to destroy the strongholds that were sent to derail their destiny. This amazing book is available worldwide on Amazon.com, Kindle, and anywhere books are sold.
